

1. Home

The screenshot shows a personal website with a red header bar. On the left is a circular profile picture of a young man with dark hair, labeled "Pablo Aguilar Fernández". To its right is a horizontal menu with links: Home, About, CV, Gallery, Hobbies, and Contact. Below this is a large rectangular section containing a portrait of the same man smiling, captioned "Pablo smiling". To the right of the portrait is a block of text introducing him as a student at CUNEF University, pursuing a double degree in Business Administration and Data Science. It highlights his passion for combining business knowledge with data-driven decision-making and mentions his participation in various competitions and events. At the bottom of this section is a small table with four columns: Full name, Where I was born, Age, and Gender. The data is: Pablo Aguilar Fernández, Madrid, Spain, 20, Male. Below this section is another red header bar with the same profile picture and menu. Underneath is a "What I like" section with a bulleted list of interests: Cars, Tennis, Football, and Good food. Each item has a blue link below it. Finally, there is a "Goal" section containing a paragraph about the user's professional aspirations and goals.

Pablo Aguilar Fernández

IMC KREMS · Madrid, Spain · CUNEF

I'm Pablo Aguilar Fernández, a student at CUNEF University, pursuing a double degree in Business Administration and Data Science. I'm passionate about combining business knowledge with data-driven decision-making and enjoy putting classroom learning into real-world practice. I've taken part in initiatives like the Banco Santander Entrepreneurial Competition and the Gestamp Business Camp, which strengthened my analytical thinking and entrepreneurial mindset. I've also gained experience in event coordination, leading large teams at major tournaments, and as a tennis coach, where I developed leadership and teamwork skills. Beyond academics, I'm passionate about cars, tennis, football, the sea, and good food, and I'm always eager to learn more about AI, finance, and innovation.

My favourite football club
- 🍔 Good food
My favourite restaurant

Goal

My goal is to keep growing as a professional who can connect business strategy with data-driven solutions. I want to work on projects where technology, innovation, and analytics come together to solve real problems and create positive impact. In the short term, I aim to strengthen my technical skills in Python, SQL, and data visualization, while learning more about financial analysis and project management. In the long run, I'd like to lead international projects that combine creativity, leadership, and digital transformation.

About me

Business Administration & Data Science student — Madrid, Spain

I'm Pablo Aguilar Fernández, a student at CUNEF University (BBA + Data Science). I enjoy clear projects with measurable impact such as *Kart Royale*. I like building small, reliable workflows that help people make better decisions.

My approach is practical: start simple, validate with data, and iterate fast. I'm interested in finance, analytics, and how teams can coordinate under pressure to deliver results.

- Focus: Finance, analytics, decision-making

- Strengths: Coordination, clear communication

- Also: Tennis, football, cars, the sea

Highlights

Events & Teams

Coordinated teams at Hexagon Cup (30–65 people). Learned planning, ownership, and calm communication.

Entrepreneurial

Projects with Banco Santander and Gestamp. Ship early, learn from feedback, improve.

Coaching mindset

Tennis coaching taught me discipline, repeatable practice, and reading the game.

Path

Now

CUNEF : BBA + Data Science

Double degree in finance and analytics; small projects to test ideas quickly.

2025

Events coordination

Hexagon Cup: team planning, on-site execution, and issue handling.

2023

Tennis coaching

Practice plans, group management, and progress tracking.

- A rectangle with my degree
- Some info of me + a recent Project I've made
- A box with 3 boxes inside that represents my highlights until today
- My path
- And Q&A with a dropdown

Quick Q&A

► What do you want to work on next?

► One skill to improve this year?

► Outside of uni?

- You should see 3 containers, all of them with info inside

- Education
- Experience and leadership
- Project and skills

4. Gallery

- I put 10 pictures with a yellow background with a style of an Instagram account
- Also a "header" to introduce it

Favourite pics of Pablo

It is an Instagram-style feed. Hope you enjoy the idea!

The grid contains 10 posts arranged in two rows of five. Each post includes a small photo, a caption, and a like count.

Post Content	Likes
Watching a tennis match	132 MGs
Enjoying tourism in London	92 MGs
My dog Robin	192 MGs
Having fun with friends in Andorra	222 MGs
Sunset in Spain	132 MGs
Carlos Sainz F1 car	122 MGs

... much more but same structure

5. Hobbies

Hobbies

Sports that mix focus, challenge and freedom.

Golf

Golf teaches precision, calm and long-term patience. I enjoy every round as a new challenge, where small adjustments define success.

Hunting

Hunting connects me with nature, discipline and respect for timing. It's about focus, silence and understanding the environment.

Ski

Skiing gives me a sense of balance and control under speed. I love the feeling of carving turns, adapting to the snow and pushing limits safely.

- I've tried to make something different and display three rows with text and photos alternating the position
